# Winter Futsal Update

For teams and their supporters

---

*“The futsal events are great for our team providing excellent player development match time”*

---

We have completed the first three weeks of this years six week Winter Futsal Event. I would like to take this opportunity to thank all participating teams and their supporters in insuring the event run smoothly. If you have any suggestions on how we can make improvements, or comment on what we have done exceptionally well, please email me, Harry at [Chairman@rwbl.org](mailto:Chairman@rwbl.org)

## Expansion for 2021

Each year we are requested to make the event larger, so we can accommodate additional teams. We have identified additional venues and will be planning next year's event in the spring. As with most Leagues we are run by volunteers who give some of their personal time to run these events.

## Event Supporters

We would be grateful for your help by volunteering to be Event Supporters to cover the three annual events we run across Newbury, Thatcham and Reading locations. These events include the Winter Futsal (January/February) and the two Trophy Events run over two Sundays, at a time, in May and September at Thatcham. We aim to create a list of volunteers who are available to support the RWBL Management Team in your locality at the sports facilities below.

Newbury / Thatcham area: Willink, Northcroft, Kennet, Hungerford & Henwick

Reading area: South Reading, JMA, Blucoats and Waingels

Interested to join the team? Please email me, Harry at [Chairman@rwbl.org](mailto:Chairman@rwbl.org)
